

## ACCESS TO STANDARDS OF OTHER INTERNATIONAL STANDARDIZING BODIES

1. **APEC**, Asia Pacific Economic Cooperation. (URL: <http://www.apec.org>),
2. **AENOR**, Asociacion Espanola de Normalizacion y Certificacion, AENORmas  
(URL: <http://aenormas.aenor.es/es/normas>)
3. **AFNOR** French standardization association, (Association Française de Normalisation) Saga web  
(URL: <http://www.boutique.afnor.org/solution-et-services/saga-web-/article/797503/abo001200#info>)
4. **ASI**, Austrian Standards Institute (URL: [www.meinNormenRadar.at](http://www.meinNormenRadar.at))  
Version 2.0 URL: <https://www.austrian-standards.at/en/products-services/online-tools-software/effects-20/>
5. **ASEAN**, Association of Southeast Asian Nations, (Asociacion Espanola de Normalizacion y Certificacion)  
(URL: <http://www.asean.org>),
6. **ASEAN** activities related to standards and conformance : (URL: <http://asean.org/asean-economic-community/sectoral-bodies-under-the-purview-of-aem/standards-and-conformance/>)
7. **ASTM**, American Society for Testing and Materials (URL: [www.astm.org](http://www.astm.org)),
8. **ARSO**, African Organisation for Standardisation (URL: <http://www.arso-oran.org/>)
9. **BSI**, British Standards, BSOL (british standards online Library) (URL : <http://www.bsigroup.com/en-ID/Our-services/BSOL>)
10. **CEN**, European Committee for Standardization (URL: [www.cen.eu](http://www.cen.eu))
11. **CENELEC**, European Committee for Electrotechnical Standardization (URL: [www.cenelec.eu](http://www.cenelec.eu))
12. **CIE**, International Commission on Illumination (URL: <http://cie.co.at/>)
13. **CODEX**, Codex Alimentarius Commission (URL: <http://www.fao.org/fao-who-codexalimentarius/en/>)

14. **DIN (Beuth)**, German Institute for standardization, standards flat rate (URL: <http://www.beuth.de/en/standards-flatrate>)
15. **EAC**, East African Community (URL: <http://www.eac.int/>)
16. **IDF**, International Dairy Federation (URL: <https://www.fil-idf.org/>)
17. **IATA** – International Air Transport Association (URL: [www.iata.org/](http://www.iata.org/))
18. **IATA standards** (URL: <http://www.iata.org/publications/Pages/standards-manuals.aspx>)
19. **IEEE**, Institute of Electrical and Electronics Engineers (URL: [www.ieee.org](http://www.ieee.org))
20. **IHS**, Information Handling Services, (URL: <https://global.ihs.com>)  
  
Engineering Workbench (URL: <https://www.ihs.com/Info/1115/engineering-workbench.html>)
21. **IIW**, International Institute of Welding (URL: <http://www.iiwelding.org>)
22. **NBN**, Bureau de Normalisation, Belgian National Standards, BodymyNBN  
  
(URL: <http://mybn.be/nbnframework/index.php/site/login>)
23. **OIML** – International Organisation of Legal Metrology (URL: <https://www.oiml.org/en>)
24. **Perinorm** (URL: <https://www.perinorm.com>)
25. **SADC**, Southern African Development Community (URL: <http://www.sadc.int/>)
26. **Smartgrid Standards Map (IEC hosted weblink)** (URL : <http://smartgridstandardsmap.com/> )
27. **SIS**, Swedish Standards Institute, e-nav (URL: <https://enav.sis.se/Login.aspx?l=en>)
28. **UN/ECE**, UN Economic Commission for Europe (URL: [www.unece.org](http://www.unece.org))
29. **Standardsmap** (URL: [www.standardsmap.org](http://www.standardsmap.org))
30. **Techstreet**, Techstreet Enterprise (URL : <http://www.techstreet.com/pages/subscriptions> )
31. **Standards Watch**(URL : <https://www.saiglobal.com/standards/Manage/StandardsWatch.htm>)
