**ISO/TC 34 consultation on establishment of an A-Liaison with USP**

Dear Member,

USP (THE UNITED STATES PHARMACOPEIAL CONVENTION) is requesting to have an A-liaison with ISO/TC 34. Since the eligibility criteria have been checked within ISO Central Secretariat and confirmed by ANSI, the application from USP can be processed further (see documents enclosed) with a TC 34 ballot. A 2/3 majority of TC 34 members will mean that the resolution to accept the creation of an A-liaison is accepted by ISO/TC 34.

For your information, USP is also requesting an A-liaison with ISO/TC 34/SC 5, SC 7, SC 11, SC 16 and SC 19.

**Draft resolution 154/2019**

TC 34 agrees to USP becoming an A-Liaison with ISO/TC34

ISO/TC 34 members are kindly invited to reply to the consultation on the CIB, not later than:

**2019-02-28**
